How to Be Prepared Stay Informed Recover FAST

Connect

- ✓ Create a Family Contacts List
- ✓ Business owners/managers: create a Business Contacts List with employees, key suppliers and customers
 - Add names, emails online or using your app

Invite

- ✓ When businesses add employees to their Contacts List, employees automatically get a Toolkit.

Your accounts are linked so you can share info & tools

Employees can also add private info and contacts

Prepare

- ✓ Fill in disaster plan questions.
- ✓ Businesses: upload documents/policies for your employees
- ✓ Take pictures with your app

- ✓ Neighbors to form a ReadyWatch group

You can quickly connect if you have a concern

- ✓ HOAs, churches, other associations as partners

These groups can host forums and provide information and support.

- ✓ Other businesses

We want to protect local jobs by helping businesses recover fast.

Repeat

- ✓ 6-month update process
- ✓ Preparation info/tips

After a Disaster

- ✓ Report your status using your app or online
- ✓ Access resources within your Toolkit
- ✓ Watch for emails and texts opening information forums
- ✓ Support recovering businesses
- ✓ Connect with your neighbors with ReadyWatch for info and support
